What's the point? You let clearly fake and highly inflammatory lies go on people's profiles and refuse to remove them when they can't verify they've even used the service. Not much point using your services at all. Oh that's right, we don't have a choice do we? Because you use our data even after we explicitly withdraw our consent, violating Australian privacy law and sue anyone who fights it.

Hi Brodies@REDACTED.email,
Sorry for the double email but I wanted to make sure we didn't get lost in the shuffle.

Do you have any [availability this week to connect](#) ?
Best,
Jawayne
