Hi Anthony,

Thank you for reaching out to us.

Kindly keep the conversation professional as we don't tolerate such behavior.

We understand that you disagree with the reviewer's description of events and how a negative review could affect your business.

Kindly note that we are assessing each review individually based on the flagging reason you choose and that your review was flagged for "About different business "reason and it complies with our terms and guidelines and we cannot delete any review unless it contravenes our guidelines, please note that we've informed you with the outcome in ticket: 28529892.

We can see that you've claimed your Trustpilot profile, so we must ask you to flag reviews via your business account. Doing so automatically triggers our investigation process and helps us get all the information we need to handle your request. See our article "[How to flag reviews from your Trustpilot Business account](#)" for a step-by-step guide.

If you find any other issues with this review, you can [flag](#) it via your business account for a different flagging reason and we will reinvestigate and let you know about the outcome as soon as possible.

For any further questions please don't hesitate to contact us, we will be more than happy to help you.

Have a good day.

Best regards,

Maryam E,

This review is a lie

<https://www.trustpilot.com/reviews/665eb2dd4a8081d6b374eac3>

They have never used my bot.

Discord has everything in Audit Log, they should be able to provide a screenshot of the audit log proving that DayZ Multi Tool did anything at all.

<https://i.postimg.cc/KzwN6Zmc/SDEV-27-08-2024-2247-10s-003.png>

that is how it would look if it was true

and they would be able to click on the bot to show it was in fact our bot

<https://i.postimg.cc/x8Wtr9yy/SDEV-27-08-2024-2250-46s-004.png>

and that's how that would look. If they cannot do this, their review is fake.
