Hi there,

Thanks for reaching out to Trustpilot Support.

In order for us to process your request, we need you to grant us the permission to edit the two domains. In order to do so, please go to Trustpilot Business, navigate to **Settings** > [Data consent](#). Under **Account Management**, enable the permission toggle for the two domains included in the merge.

In addition, please note that only the information from your main profile (killfeed.co) will remain after I process the merge. The following will be deleted from your secondary profile (legionkillfeed.xyz):

- Invitation History
- Invitation Templates
- Installed TrustBoxes
- Invitation Configurations
- Company Description

Whilst all the above will be deleted from your secondary profile, I can confirm that all your reviews will move across to the main profile once the merge is complete. You can find more information about this: [here](#).

Please confirm that you still want to move forward with the merge and I will process it. Once completed, profile merges are permanent and cannot be reversed.

Thanks in advance for your reply.

Best regards,
