I am submitting a report regarding a review on my business profile that contains **personal attacks, false claims, and defamatory language** directed at me as the owner. The review violates Trustpilot's guidelines under the **Personal Information** category, as it includes statements that misrepresent my actions and unfairly target me rather than providing a genuine customer experience.

Review in Question:

"Worst Killfeed Bot going. If you want to use a bot where the owner cancels ur payments and speaks rude to you all the time, then this bot is for u. But the slow and lazy feeds that come to Discord take ages. I rate these 0/10. Owner's rude and picks and chooses who he wants on his bot."

Violations of Trustpilot Guidelines:

1. Personal Attacks & Defamation

- The review is not a critique of the product or service but rather an attack on me personally.
- Statements like *"the owner cancels ur payments," "the owner is rude,"* and *"picks and chooses who he wants on his bot"* make direct, **unverified accusations** against me, which could mislead potential users.
- The review lacks any supporting evidence for these claims, making them **baseless, misleading, and defamatory** rather than constructive feedback.

2. Misleading & False Claims

- The claim that I "cancel payments" suggests intentional financial misconduct, which is **false and harmful** to my reputation. Payment handling is automated through third-party services, meaning I **do not manually cancel payments**.
- The assertion that the bot is "slow and lazy" is an opinion, which would be acceptable if it were backed by factual observations. However, it is used in conjunction with false claims to discredit my service unfairly.

3. Violation of Trustpilot's Personal Information Policy

- Trustpilot prohibits reviews that target individuals rather than businesses. This review **explicitly** refers to me as an individual, stating that I "speak rude to customers" and "pick and choose who can use the bot."
- This makes the review **about me personally rather than about the service itself**, which is against Trustpilot's guidelines.

Request for Removal

Given that this review:

- ✓ **Directly attacks me instead of reviewing the service**
- ✓ **Contains misleading and false claims about my actions**
- ✓ **Violates Trustpilot's Personal Information policy**

I kindly request that Trustpilot **removes this review** from my business profile. I appreciate your time in reviewing this report and ensuring that all feedback on Trustpilot adheres to fair and transparent guidelines.

Thank you for your assistance.
