richard ledbetter left a new review

Hi Anthony Brodie,

richard ledbetter just left a new **5-star** review of
killfeed.co:

Superior killfeed for dayz in my opinion. I haven't personally had others although I'm a member of a lot of other discords and their kill feed bots are inferior relative to aesthetics and overall commands. When I started my server I searched for the best and trusted other reviews and haven't been let down. The customer service is A1 but don't expect to be coddled. Soul is consistently improving all aspects of the bot. It is not a half complete abandoned service. A work of art is never complete, only bound by the artists ambition and attention. Hes lost neither and the product shows. I'm a legit customer with no affiliation and I'm telling you they're the best.
