J Robby left a new review

Hi Anthony Brodie,

J Robby just left a new 5-star review of [killfeed.co](#):

Legion is the third Killfeed Bot I have used in 5 years of server coding. By far its the cleanest and quickest I have had the pleasure of running on my three servers. Soul makes you feel like an individual, and answers your questions quickly, proficiently and professionally. From day zero, he has been a great help and offers a superior product over Hulk, and DayZkillfeed. If you take your server seriously, there is only one logical choice. Legion Killfeed. He offers multiple membership prices to cover everything from a 10-slot low population server to a 50+ high population monetized server. The base radar is top notch, the graphics make your discord look like a star, and the bot is feature packed! I recommend Legion Killfeed Bot only, for your server.
