Hi Anthony,

Thank you for your response.

We assess flagged reviews based on the reason provided. The review by Kyle was flagged for Advertising or promotional content. Upon assessment, we have determined that the review does not contain any advertising or promotional content.

However, If you feel like the review contains defamation you can flag it under defamation.

Thankyou for your understanding.

Best regards,

Reshma R,
Content Integrity Team

31 Jul 2025, 21:00 BST

Dear Trustpilot Content Integrity Team,

I am writing to formally demand the immediate removal of the fraudulent and defamatory review posted by "Kyle" (Trustpilot user), which falsely accuses my Discord bot, DayZ Multi Tool, of maliciously deleting server channels, messages, and roles.

This bot was used to wipe my server and all its channels, messages and roles. The Admin/Owner of this bot used a command to do this. This is extremely unprofessional.

Discord bot code was leaked online and code was found to delete all channels, messages.

Date of experience: December 11, 2023

Absolutely false, our bot does nothing more than send embed images and text detailing how DayZ console coding works.

Trust Pilot will be dealing with the authorities soon.

[cid:04f5ed45-3a31-4c34-85c8-1fdb59b7495e]

They have never used my bot.

Discord has everything in Audit Log, they should be able to provide a screenshot of the audit log proving that DayZ Multi Tool did anything at all.

[\[https://i.postimg.cc/KzwN6Zmc/SDEV-27-08-2024-2247-10s-003.png\]](https://i.postimg.cc/KzwN6Zmc/SDEV-27-08-2024-2247-10s-003.png)

that is how it would look if it was true

and they would be able to click on the bot to show it was in fact our bot

[\[https://i.postimg.cc/x8Wtr9yy/SDEV-27-08-2024-2250-46s-004.png\]](https://i.postimg.cc/x8Wtr9yy/SDEV-27-08-2024-2250-46s-004.png)

and that's how that would look. If they cannot do this, their review is fake.

Key Points of Dispute:

1.

No Evidence Provided – The reviewer has failed to supply Discord Audit Logs (which would clearly show if my bot was involved). Discord's systems log all major actions, and no such logs exist because my bot lacks these capabilities.

2.

Proven False by Discord – Discord has already verified that my bot does not have permission or functionality to perform such actions.

3.

Malicious Intent – This review is part of a targeted harassment campaign by a known individual (Kamikaze420 from Skynet 2.0) using an alt account to spread false claims.

Legal Implications:

*

The review constitutes defamation (libel), as it knowingly spreads false information that damages my reputation and business.

*

Trustpilot's refusal to remove it, despite verifiable proof of its falsity, may expose your platform to legal liability under:

*

Section 230 Misapplication (if you ignore evidence of malicious intent).

*

Defamation Laws (U.S./UK/EU, depending on jurisdiction).

*

Business Torts (interference with economic relations).

Final Demand:

*

Remove the fraudulent review immediately.

*

Investigate the user for malicious false reporting.

*

Cease allowing defamatory content against my business.

If this review is not removed within 48 hours, I will have no choice but to:

*

File a formal legal complaint against Trustpilot for enabling defamation.

*

Pursue legal action against the reviewer for fraudulent claims.

*

Escalate to regulatory bodies (FTC, UK CMA, etc.) regarding Trustpilot's failure to moderate false content.

I expect your prompt resolution to avoid further legal escalation.

Hi Anthony Brodie,

Thanks for your inquiry about the [review](#) by Kyle, which you flagged for advertising or promotional content.

The decision

We've now read the review and concluded that the words or phrases you've identified follow our [guidelines](#) for the reason you flagged them. Therefore, we'll keep the review online and won't be taking further action.

Keep in mind that it's OK for a reviewer to name another company in their review, as long as they don't urge people to buy products or use services from that company. However, we don't allow reviewers to include promotional references such as marketing material, links, or discount codes.

Tell your side of the story

You can always [reply to this review](#) to help win respect and credibility. Replies appear alongside the review, so readers get the full picture from both a company's and reviewer's point of view.

If you have further questions, please reply to this email.

Thanks,

Reshma R,
Content Integrity Team
