Hi Trustpilot Content Integrity Team,

You stated on 2 August 2025 at 10:23 BST that the review by "WARZONE" was removed due to non-compliance after your outreach.

However, as of this writing, the review ****remains publicly visible**** on our profile page and has ****not**** been taken down as claimed.

This directly contradicts your own communication and indicates a failure in your moderation process. The review in question contains false, defamatory statements from a non-customer, and its continued presence constitutes ongoing reputational damage.

This is your final reminder:

If the review is not fully removed and hidden from public view within 12 hours of this message, formal legal proceedings will be initiated and you will be named as a co-defendant. A screenshot of the live review has already been captured for evidence.

There will be no further correspondence on this issue unless for confirmation of removal.

Hi Anthony Brodie,

Thanks for the inquiry about the review by WARZONE.

The decision

We've reached out to the reviewer but they haven't brought their review within our [guidelines](#) for the reason you flagged it. That means it's now been removed from Trustpilot and taken down from your profile page.

Keep in mind that if the reviewer addresses the problem at a later time, the review may be reinstated.

If you have further questions, please reply to this email.

Thanks,

Content Integrity Team
