Trustpilot System (Trustpilot Content Integrity)

2 Aug 2025, 01:36 BST

Hi Anthony Brodie,

Thanks for your inquiry about the review by Cunt, which you flagged for containing defamatory content.

The assessment

When a review is flagged for this reason, we run it through our AI-powered defamation tool. This tool considers whether the content you've identified, in the context of the whole review, is likely to cause serious harm to someone's reputation or serious financial loss to a business.

Keep in mind that while you may consider the content to be negative, this is different from being defamatory.

The decision

In this case, we've assessed the review and determined that the content you've identified is not defamatory. Therefore, we've reinstated the review and won't be taking any further action.

Tell your side of the story

You can always [reply to this review](#) to address feedback and share your side of the story. Replies appear alongside the review, giving readers the full picture from both perspectives. This builds credibility, shows empathy, and can turn critics into loyal customers.

If you have any questions, please let us know by replying to this email.

Thanks,

Content Integrity Team

We are rated 4.4 out of 5

Trustpilot trades on the London Stock Exchange under the ticker **TRST**
