This PDF is a full legal demand letter (dated 4 August 2025) from Anthony Brodie, owner of Legion Killfeed, detailing a coordinated smear-and-harassment campaign that has generated multiple fake 1-star reviews on our Trustpilot profile.

Key points covered:

- Identifies perpetrators:
 - Daniel Santos (U.S.; Facebook alias “dani23COVID”) – author of source post.
 - Danny Hayes (U.K. competitor) – admits on Facebook to “bad reviews” and incites PayPal charge-backs.
 - Accounts “Cunt” and “WARZONE” – obscene, non-customers posting identical false claims.
 - Brett Jones (Canada; alias “MrTech9”) – banned ex-user repeating “pedophile” slur.
 - Dan Ahern, Zeus Lozano – amplifiers.
- Explains that none of these reviewers purchased or used the service; payment/Discord records confirm zero history.
- Shows reviews breach Trustpilot rules on profanity, genuine experience, conflict of interest and defamation.
- Summarises multi-jurisdictional legal exposure (UK Defamation Act 2013 s.5, Australian defamation law, Canadian criminal defamatory-libel provisions, U.S. libel per se).
- Attaches evidence bundle: Facebook screenshots (brigading instructions, incitement), review screenshots, Discord abuse logs, PayPal dispute data, police report reference 43250388789.
- Demands: permanent removal of “Cunt”, “WARZONE”, “Danny Hayes” reviews; suspension of those accounts; confirmation within 7 days; preservation of logs for subpoenas.

The document demonstrates Trustpilot’s prior notice and outlines planned escalation (UK CMA, ACCC, EU DSA regulators, defamation suits) if action is not taken.

Hi Anthony Brodie,

Thanks for the inquiry about the review by WARZONE.

The decision

We've reached out to the reviewer but they haven't brought their review within our [guidelines](#) for the reason you flagged it. That means it's now been removed from Trustpilot and taken down from your profile page.

Keep in mind that if the reviewer addresses the problem at a later time, the review may be reinstated.

If you have further questions, please reply to this email.

Thanks,

Content Integrity Team
