Are you genuinely this dumb or do you enjoy antagonising the people you force to use your system?

Look at this shit, that I have sent you, 19 times now. I am going to take this response as acknowledgement of my 19 emails that include the attached PDFs, which have now being forwarded to Danish Competition and Consumer Authority and the Australian Competiton and Consumer Commission, you are extremely liable for the defamation and I will be persuing further legal action.

Hi Anthony Brodie,

Thanks for your inquiry about the [review](#) by Cunt, which you flagged for advertising or promotional content.

The decision

We've now read the review and concluded that the words or phrases you've identified follow our [guidelines](#) for the reason you flagged them. Therefore, we'll keep the review online and won't be taking further action.

Keep in mind that it's OK for a reviewer to name another company in their review, as long as they don't urge people to buy products or use services from that company. However, we don't allow reviewers to include promotional references such as marketing material, links, or discount codes.

Tell your side of the story

You can always [reply to this review](#) to help win respect and credibility. Replies appear alongside the review, so readers get the full picture from both a company's and reviewer's point of view.

If you have further questions, please reply to this email.

Thanks,

Ananthu P,

Content Integrity Team
