Hello Anthony,

I hope this message finds you well.

Thank you for sending the detailed letter about the fake reviews and harassment on your profile. We take this matter seriously.

We wanted to clarify that our approach to handling cases is to assess each situation individually, on a case-by-case basis. This allows us to carefully consider the unique circumstances and details of every case before making a decision.

Please feel free to reach out if you have any specific cases you would like us to review or if you need further clarification on our process.

Thank you for your understanding.

Best regards,

Shahana A,

This PDF is a full legal demand letter (dated 4 August 2025) from Anthony Brodie, owner of Legion Killfeed, detailing a coordinated smear-and-harassment campaign that has generated multiple fake 1-star reviews on our Trustpilot profile.

Key points covered:

- Identifies perpetrators:
 - Daniel Santos (U.S.; Facebook alias “dani23COVID”) – author of source post.
 - Danny Hayes (U.K. competitor) – admits on Facebook to “bad reviews” and incites PayPal charge-backs.
 - Accounts “Cunt” and “WARZONE” – obscene, non-customers posting identical false claims.
 - Brett Jones (Canada; alias “MrTech9”) – banned ex-user repeating “pedophile” slur.
 - Dan Ahern, Zeus Lozano – amplifiers.
- Explains that none of these reviewers purchased or used the service; payment/Discord records confirm zero history.
- Shows reviews breach Trustpilot rules on profanity, genuine experience, conflict of interest and defamation.
- Summarises multi-jurisdictional legal exposure (UK Defamation Act 2013 s.5, Australian defamation law, Canadian criminal defamatory-libel provisions, U.S. libel per se).
- Attaches evidence bundle: Facebook screenshots (brigading instructions, incitement), review screenshots, Discord abuse logs, PayPal dispute data, police report reference 43250388789.
- Demands: permanent removal of “Cunt”, “WARZONE”, “Danny Hayes” reviews; suspension of those accounts; confirmation within 7 days; preservation of logs for subpoenas.

The document demonstrates Trustpilot’s prior notice and outlines planned escalation (UK CMA, ACCC, EU DSA regulators, defamation suits) if action is not taken.

Hi Anthony Brodie,

Thanks for the inquiry about the review by WARZONE.

The decision

We've reached out to the reviewer but they haven't brought their review within our guidelines<<https://legal.trustpilot.com/for-reviewers/guidelines-for-reviewers>> for the reason you flagged it. That means it's now been removed from Trustpilot and taken down from your profile page.

Keep in mind that if the reviewer addresses the problem at a later time, the review may be reinstated.

If you have further questions, please reply to this email.

Thanks,

Content Integrity Team

Hi Trustpilot Content Integrity Team,

You stated on 2 August 2025 at 10:23 BST that the review by "WARZONE" was removed due to non-compliance after your outreach.

However, as of this writing, the review **remains publicly visible** on our profile page and has **not** been taken down as claimed.

This directly contradicts your own communication and indicates a failure in your moderation process. The review in question contains false, defamatory statements from a non-customer, and its continued presence constitutes ongoing reputational damage.

This is your final reminder:

If the review is not fully removed and hidden from public view within 12 hours of this message, formal legal proceedings will be initiated and you will be named as a co-defendant. A screenshot of the live review has already been captured for evidence.

There will be no further correspondence on this issue unless for confirmation of removal.
