Subject: Remove This Defamatory Review Immediately

You've been told over 100 times now — this review is false, defamatory, part of a coordinated campaign, and technically impossible. I do not and cannot delete people's servers, and you know it.

[Uploaded image]

I've already flagged this, I've already responded publicly, and I've already provided multiple formal complaints and legal filings proving what is happening here. And yet it's still live. I don't care if this is a separate ticket. I have sent the ombudsman an 89 page PDF already, you are just making it grow larger.

Every time you delay action, I will respond again. Every time you pretend this is an isolated review and not part of an organised attack, I will escalate. Every time you ignore the law, I will add it to the growing list of evidence being submitted to regulatory bodies. Remove this review now. I will continue replying and escalating until it is gone.

Are you genuinely this dumb or do you enjoy antagonising the people you force to use your system?

Look at this shit, that I have sent you, 19 times now. I am going to take this response as acknowledgement of my 19 emails that include the attached PDFs, which have now being

forwarded to Danish Competition and Consumer Authority and the Australian Competition and Consumer Commission, you are extremely liable for the defamation and I will be pursuing further legal action.

Hi Anthony Brodie,

Thanks for your inquiry about the review <<https://businessapp.b2b.trustpilot.com/reviews/688d14d8f18ef096196c8c63>> by Cunt, which you flagged for advertising or promotional content.

The decision

We've now read the review and concluded that the words or phrases you've identified follow our guidelines <<https://uk.legal.trustpilot.com/for-reviewers/guidelines-for-reviewers>> for the reason you flagged them. Therefore, we'll keep the review online and won't be taking further action.

Keep in mind that it's OK for a reviewer to name another company in their review, as long as they don't urge people to buy products or use services from that company. However, we don't allow reviewers to include promotional references such as marketing material, links, or discount codes.

Tell your side of the story

You can always reply to this review <<https://support.trustpilot.com/hc/en-us/articles/201836983-How-should-I-respond-to-reviews>> to help win respect and credibility. Replies appear alongside the review, so readers get the full picture from both a company's and reviewer's point of view.

If you have further questions, please reply to this email.

Thanks,
