We do our best to act promptly and fairly, but sometimes the process can take longer than anyone would like, especially when dealing with complex cases.

Hello Ansa,

Yes, I see the review is now offline — but let's not pretend this process has been handled honestly or competently.

This review should never have been reinstated in the first place. It was posted by an account literally named "Cunt," containing provably false and defamatory allegations, as part of a coordinated harassment campaign already reported to police. The user has never used my service, never joined my Discord, never made a payment, never opened a ticket — nothing.

Your team's repeated contradictions, copy-paste denials, and selective enforcement of your own guidelines have dragged this out far longer than necessary. You've now confirmed the review is gone, but only after unnecessary resistance that has damaged my business and further undermined your credibility.

So I'll ask plainly — are you going to save us both the time and resolve these cases when the evidence is handed to you, or are you determined to be humiliated in every jurisdiction by a former alcoholic with no education, no people skills, unmedicated ADHD, and an obsession with destroying anyone who tries to destroy his business?

Disclaimer: You were warned in writing that if your team continued to send copy-paste lies instead of addressing the facts, you would receive this image. Your failure to read and respond appropriately is your own fault.

Does this look like the face of someone who's afraid to peruse this futher?

[cid:ef900fce-12e9-46f3-ac15-663adac46454]

Next time you copy and paste, I'll spread the cheeks.

Hi Ansa,

Your decision to reinstate a review from an account named “Cunt” — containing false, defamatory claims like “robs people” and “blocks them” — is both negligent and absurd.

Let me be absolutely clear:

- The reviewer has never used our service — no Discord join, no PayPal transaction, no ticket, no login — nothing.
- The display name “Cunt” is a textbook violation of your own Obscenity and Account Name guidelines.
- The statement “robs people for there money” is not criticism — it is a provably false factual allegation with clear malicious intent.
- This review was part of a coordinated harassment campaign already reported to Thames Valley Police (Case Ref: 43250388789).

I am no longer treating this as a support ticket. You are now on formal legal notice.

Your platform has failed to act “expeditiously” after notification — under Section 5 of the UK Defamation Act 2013, that strips you of immunity. The Voller precedent (HCA 27, Australia) and recent U.S. CDA §230 erosion (Henderson v Source) affirm the same in both my and the reviewer’s jurisdictions.

A full legal demand has been drafted and will be sent to your Legal Department. If this review is not permanently removed and the account suspended within 24 hours, Trustpilot will be added as a co-defendant in all forthcoming actions.

I suggest you escalate this immediately to someone who understands the legal consequences of inaction.

Hi Ansa,

Your decision to reinstate a review from an account named "Cunt" — containing false, defamatory claims like "robs people" and "blocks them" — is both negligent and absurd.

Let me be absolutely clear:

- The reviewer has never used our service — no Discord join, no PayPal transaction, no ticket, no login — nothing.
- The display name "Cunt" is a textbook violation of your own Obscenity and Account Name guidelines.
- The statement "robs people for there money" is not criticism — it is a provably false factual allegation with clear malicious intent.
- This review was part of a coordinated harassment campaign already reported to Thames Valley Police (Case Ref: 43250388789).

I am no longer treating this as a support ticket. You are now on formal legal notice.

Your platform has failed to act "expeditiously" after notification — under Section 5 of the UK Defamation Act 2013, that strips you of immunity. The Voller precedent (HCA 27, Australia) and recent U.S. CDA §230 erosion (Henderson v Source) affirm the same in both my and the reviewer's jurisdictions.

A full legal demand has been drafted and will be sent to your Legal Department. If this review is not permanently removed and the account suspended within 24 hours, Trustpilot will be added as a co-defendant in all forthcoming actions.

I suggest you escalate this immediately to someone who understands the legal consequences of inaction.
