Hi,

Thank you so much for reaching out!

All businesses and users of our site have the ability to report a review that breaches our Guidelines. Occasionally, we see our reporting tools being misused through inconsistent reporting, or unfairly reporting reviews that don't breach our Guidelines. Examples of misuse of our reporting tools include:

- Rapidly reporting reviews; this would indicate that the reviews are not being properly considered or assessed;
- Reporting a large proportion of genuine negative reviews in an effort to get these removed from their profile;
- Reporting the same review over and over again to try and get it removed from their profile

We're happy to let you know that all the reviews you mentioned have been filtered out and are no longer visible on your profile!

We appreciate your understanding and value your contribution to our platform.

Best regards,

Nadia A,

Content Integrity Team

Subject: Final Legal Notice – Retaliatory Conduct and Continued Publication of Defamation After Notice

To all recipients,

On 10 August 2025, mere hours after being served with a formal cease-and-desist (attached), Trustpilot issued a baseless and retaliatory accusation of "misuse of the flagging tool" against my business, Legion Killfeed. This response is not only false but transparently punitive and further escalates the serious legal exposure Trustpilot now faces.

Let me state this unequivocally: Trustpilot has been given multiple formal legal notices identifying specific reviews that breach its own policies and multiple laws (UK Defamation Act 2013, EU Digital Services Act, Australian common law defamation, and criminal codes). These include reviews by:

*

“Cunt” – obscene username, no genuine experience, slanderous content

*

“WARZONE” – coordinated posting tied to rival service

*

“Danny Hayes” – UK-based competitor openly inciting attacks

*

“Brett Jones” – defamatory statements online and in Discord, documented as part of an abuse campaign

*

“Robert McDonovan” – whose review has been proven to be from a non-customer (see attached logs)

Despite more than a dozen flagged instances and detailed documentation, including Discord logs and screenshots, Trustpilot has failed to take comprehensive action.

Instead, after receiving a legally binding cease-and-desist naming individual staff and citing defamation, your team launched a retaliatory "misuse" allegation — in what appears to be a blatant attempt to intimidate a small Australian business into silence.

This email places Trustpilot and all named recipients on final legal notice:

Immediate Demands:

1.

Remove all defamatory reviews identified in prior correspondence (see attachments).

2.

Withdraw the retaliatory “misuse” allegation immediately and confirm in writing.

3.

Preserve all logs, internal messages, moderation decisions, and IP metadata related to reviews and flagging for all named users.

Failure to comply within 72 hours will result in:

*

Immediate civil action under UK and Australian defamation law

*

Referral to:

*

UK Competition & Markets Authority

*

Australian Competition and Consumer Commission

*

EU DSA enforcement coordinators

*

Danish Forbrugerombudsmanden

*

Australian eSafety Commissioner

*

Individual staff responsible for publication, inaction, or retaliation may be named as defendants

I am attaching all relevant files, including:

*

Formal Complaint to eSafety Commissioner

Trustpilot_Complaint_04Aug2025.pdf

The publication of defamatory, obscene, and fabricated content by known competitors and former users — after formal notice — constitutes an ongoing legal violation. Trustpilot has been given ample opportunity to act. It has chosen to retaliate instead.

This ends today.

Hi Legion Killfeed - DayZ Discord Bot,

We've noticed that you've been misusing your flagging tool on killfeed.co, which goes against our guidelines<<https://legal.trustpilot.com/for-businesses/guidelines-for-businesses>>.

What is misuse of the flagging tool?

Misuse of the flagging tool, also referred to as "Misuse of reporting" in our Action We Take Policy<<https://legal.trustpilot.com/for-everyone/action-we-take>>, occurs when a business flags reviews unfairly and inconsistently. This can include flagging lots of reviews in a short period of time, flagging a large proportion of genuine negative reviews, or flagging the same review repeatedly.

What do I need to do?

We've sent a notification to your Trustpilot Business account; please acknowledge it.

To make sure you flag reviews fairly and consistently, please refer to our Guidelines for Businesses<<https://legal.trustpilot.com/for-businesses/guidelines-for-businesses>>. Here's some helpful tips:

* Before you flag any reviews, take the time to consider and assess them. For example, you should only choose the applicable flagging reason<<https://support.trustpilot.com/hc/en-us/articles/207312357-For-which-reasons-can-businesses-flag-reviews>>, and if you're asked to specify the problematic content, please be as specific as possible.

* Flag positive reviews for the same reasons you flag negative reviews.

* Remember that you can use negative reviews as an opportunity to engage with your reviewers<<https://support.trustpilot.com/hc/en-us/articles/360001003968-Engage-with-your-reviewers>>. Check out this article for more tips: What do I do if I get a negative review?<<https://support.trustpilot.com/hc/en-us/articles/115009388547>>

What happens next?

If we continue to detect misuse of the flagging tool, you'll receive a warning. We'd rather avoid that, so we'd be grateful for your cooperation in resolving this issue.

If you have any questions or need support with the guidelines, please reach out to the Content Integrity Team by replying to this email or to your designated customer success manager.

Kind regards,
