Jjw left a new review

Hi Anthony Brodie,

Jjw just left a new **5-star** review of **killfeed.co**:

Legion Killfeed takes the headache out of DayZ server management. Its semi real time killfeed and detailed PVP and PVE stats give my Xbox community instant insight without me touching a log file. Scheduled restarts and automated file edits run like clockwork, and the multilingual setup guides made onboarding painless. Support is blunt but lightning fast. When I hit a configuration snag, Soul jumped in within minutes and had it sorted. No upsells, no paywalls, just one subscription for the full toolbox. After months of flawless uptime, Legion has become an essential part of my server. Highly recommend.
