Hi Trustpilot Content Integrity Team,

I have been trying for days to reach a human about defamatory content and am now receiving overlapping replies from multiple departments. This is wasting time and creating confusion.

Effective immediately, please:

1. Route all current and future communications about Legion Killfeed to your Legal team only and CC the CEO.
2. Instruct all staff to forward existing threads and materials to Legal and stop contacting me from other departments.
3. Confirm a single Legal point of contact and the active reference number.
4. Place a litigation hold and preserve all records, including reviews, flags, moderation notes, internal messages, logs, and related metadata.
5. Confirm removal of the remaining defamatory review(s) and provide a written summary of actions taken.
6. Provide your proposed resolution, including compensation for the harm caused.

I will communicate only with your Legal team.

Regards,
Anthony Brodie
