Hi Ashwin,

I have told your team 8 times now and am sick of repeating it to you all. This is wasting time and creating confusion.

Effective immediately:

1. Route all current and future communications about Legion Killfeed to your Legal team only and CC the CEO.
2. Instruct all staff to forward existing threads and materials to Legal and stop contacting me from other departments.
3. Do not respond to this email unless you are from legal.
4. Place a litigation hold and preserve all records, including reviews, flags, moderation notes, internal messages, logs, and related metadata.
5. Remove all of the remaining defamatory review(s).
6. Provide your proposed resolution, including compensation for the harm caused.

I will communicate only with your Legal team.

Regards,
Anthony Brodie
Owner, Legion Killfeed

That's the way, continue to violate the law, just add more 0's to that cheque you'll be writing.

Hi killfeed.co,

Thanks for your inquiry about the review by Cunt, which you recently flagged as not based on a genuine experience.

The assessment

When a review is flagged for this reason, we no longer ask the reviewer to provide documentation of their experience. Instead, we run it through our new detection software that analyses various factors, including:

- Reviewer history (e.g., number of previous reviews, past invitations to review other businesses),
- Other suspicious patterns detected by our [fraud detection software](#).

If the software determines that the content or the reviewer is suspicious, the review is taken offline; if not, it stays online.

The decision

In this case, we've assessed the review and determined that it goes against our [guidelines](#) as **not based on a genuine experience**. That means it's now been removed from Trustpilot and taken down from your profile page.

We've let the reviewer know about this decision. Keep in mind that if they dispute it and [provide information about their experience](#), the review may be reinstated.

If you have any questions or think we've made a mistake, please let us know by replying to this email.

Thanks,

Content Integrity Team
