Dear Anthony,

Thank you for getting in touch, and we're sorry to hear about the issues you're experiencing with reviews on your business profile.

Our **fraud detection engine** has already taken all necessary steps based on the information available and in line with our platform's guidelines. That said, we understand your concerns and are here to support you further.

If you believe there are specific reviews that still violate our guidelines, we encourage you to **flag those reviews directly** from your **business account**. This allows our Content Integrity Team to review the flagged content in detail and take any appropriate action.

You can find step-by-step instructions here:

 [How to flag service reviews from your business account](#)

If you need help with the flagging process or accessing your account, please don't hesitate to reach out. We're here to assist.

Best regards,

Alph W,
Content Integrity Team
