Subject: Final Legal Notice ☐ Retaliatory Conduct and Continued Publication of Defamation After Notice

To all recipients,

On 10 August 2025, mere hours after being served with a formal cease-and-desist (attached), Trustpilot issued a baseless and retaliatory accusation of "misuse of the flagging tool" against my business, Legion Killfeed. This response is not only false but transparently punitive and further escalates the serious legal exposure Trustpilot now faces.

Let me state this unequivocally: Trustpilot has been given multiple formal legal notices identifying specific reviews that breach its own policies and multiple laws (UK Defamation Act 2013, EU Digital Services Act, Australian common law defamation, and criminal codes). These include reviews by:

*

☐Cunt☐ ☐ obscene username, no genuine experience, slanderous content

*

☐WARZONE☐ ☐ coordinated posting tied to rival service

*

☐Danny Hayes☐ ☐ UK-based competitor openly inciting attacks

*

☐Brett Jones☐ ☐ defamatory statements online and in Discord, documented as part of an abuse campaign

*

☐Robert McDonovan☐ ☐ whose review has been proven to be from a non-customer (see attached logs)

Despite more than a dozen flagged instances and detailed documentation, including Discord logs and screenshots, Trustpilot has failed to take comprehensive action.

Instead, after receiving a legally binding cease-and-desist naming individual staff and citing defamation, your team launched a retaliatory "misuse" allegation ☐ in what appears to be a blatant attempt to intimidate a small Australian business into silence.

This email places Trustpilot and all named recipients on final legal notice:

Immediate Demands:

1.

Remove all defamatory reviews identified in prior correspondence (see attachments).

2.

Withdraw the retaliatory ☐misuse☐ allegation immediately and confirm in writing.

3.

Preserve all logs, internal messages, moderation decisions, and IP metadata related to reviews and flagging for all named users.

Failure to comply within 72 hours will result in:

*

Immediate civil action under UK and Australian defamation law

*

Referral to:

*

UK Competition & Markets Authority

*

Australian Competition and Consumer Commission

*

EU DSA enforcement coordinators

*

Danish Forbrugerombudsmanden

*

Australian eSafety Commissioner

*

Individual staff responsible for publication, inaction, or retaliation may be named as defendants

The publication of defamatory, obscene, and fabricated content by known competitors and former users ☐ after formal notice ☐ constitutes an ongoing legal violation. Trustpilot has been given ample opportunity to act. It has chosen to retaliate instead.

This ends today.

Subject: Final Legal Notice ☐ Retaliatory Conduct and Continued Publication of Defamation After Notice

To all recipients,

On 10 August 2025, mere hours after being served with a formal cease-and-desist (attached), Trustpilot issued a baseless and retaliatory accusation of "misuse of the flagging tool" against my business, Legion Killfeed. This response is not only false but

transparently punitive and further escalates the serious legal exposure Trustpilot now faces.

Let me state this unequivocally: Trustpilot has been given multiple formal legal notices identifying specific reviews that breach its own policies and multiple laws (UK Defamation Act 2013, EU Digital Services Act, Australian common law defamation, and criminal codes). These include reviews by:

☐ Cunt ☐ obscene username, no genuine experience, slanderous content

☐ WARZONE ☐ coordinated posting tied to rival service

☐ Danny Hayes ☐ UK-based competitor openly inciting attacks

☐ Brett Jones ☐ defamatory statements online and in Discord, documented as part of an abuse campaign

☐ Robert McDonovan ☐ whose review has been proven to be from a non-customer (see attached logs)

Despite more than a dozen flagged instances and detailed documentation, including Discord logs and screenshots, Trustpilot has failed to take comprehensive action.

Instead, after receiving a legally binding cease-and-desist naming individual staff and citing defamation, your team launched a retaliatory "misuse" allegation ☐ in what appears to be a blatant attempt to intimidate a small Australian business into silence.

This email places Trustpilot and all named recipients on final legal notice:

Immediate Demands:

Remove all defamatory reviews identified in prior correspondence (see attachments).

Withdraw the retaliatory ☐ misuse ☐ allegation immediately and confirm in writing.

Preserve all logs, internal messages, moderation decisions, and IP metadata related to reviews and flagging for all named users.

Failure to comply within 72 hours will result in:

Immediate civil action under UK and Australian defamation law

Referral to:

UK Competition & Markets Authority

Australian Competition and Consumer Commission

EU DSA enforcement coordinators

Danish Forbrugerombudsmanden

Australian eSafety Commissioner

Individual staff responsible for publication, inaction, or retaliation may be named as defendants

The publication of defamatory, obscene, and fabricated content by known competitors and former users ☐ after formal notice ☐ constitutes an ongoing legal violation. Trustpilot has been given ample opportunity to act. It has chosen to retaliate instead.

This ends today.
