Unholy just updated a review

Hi Anthony Brodie,

Unholy has updated their **1-star** review of [killfeed.co](#):

I don't normally leave a review, but after being on his discord for months I have to warn people to stay away from Legion killfeed and its owner. This man has severe issues and unresolved personal trauma which he vents on his paying customers but also his staff. His general page just consist of him bad mouthing clients who are just generally looking for assistance when the Legionkillfeed bot is down, and this happens regularly. Soul has an army of alt accounts and he's not afraid to send them after people who have offend him. Now include this with his violent demeanor and you understand why this man doesn't have any time to properly respond to tickets. He is just too busy threatening server owners and other people who stand up against his abuse. His responses are often hilariously delusional. Just go to the legion website, and his broken character shines bright tru the pages he wrote himself, also when I see the other reviews on this site I realised that all 5star reviews is just soul trying and failing to maintain a fake composer. You ain't fooling anyone buddy! I would high recommend

using any other bot, Such as DZB killfeed. And to stay clear of Soul and his minions.
