Hi dayzmultitool.com,

Thanks for reaching out to us about our assessment of the review by Kyle.

We've looked into the review again with the information you provided.

Hi Trustpilot Content Integrity,

I am writing in relation to your email dated 11 December 2025 at 20:34 GMT regarding Ticket [#39666963](#), which contained only the standard footer (links to Trustpilot, Help Center and Privacy Policy) and no body text, explanation or decision.

Please confirm in writing whether:

1.

This blank message was sent in error, or

2.

You consider this to be a substantive response to my detailed email about the “Kyle – This bot was used to wipe my server” review and the disabled flagging on my DayZ Multi Tool profile.

To be absolutely clear, your latest email:

*

Does not address the fact that the flag button for this review has been removed on my side, so I cannot follow your repeated instruction to “flag it under the correct category”.

*

Does not address any of the defamation issues I have raised, including that the review is technically impossible, factually false, retaliatory and not from a genuine customer.

*

Does not address your ongoing publication of a “Verified” review you have been on notice about since at least August 2024.

Unless you state otherwise, I will treat the blank 11 December 2025 message as further evidence that:

*

Trustpilot is not engaging with the substance of this complaint,

*

Trustpilot is continuing to publish the Kyle review after detailed written notice of its falsity, and

*

Internal processes and appeal limits prevent proper consideration of the full evidentiary record.

For the record:

*

I hold more than 1,700 evidentiary items (screenshots, logs, correspondence, prior tickets) relevant to this harassment campaign and this review.

*

Your appeal and dispute forms only allow three attachments, which means your reviewers cannot realistically see the breadth and consistency of the evidence even when I try to provide it.

Please now either:

1.

Provide a clear, reasoned written decision on the Kyle review that addresses the technical impossibility, non genuine reviewer, misleading “Verified” status and disabled flagging, or

2.

Confirm that the review will be removed and preserved internally along with all associated logs and notes.

If you continue to publish the Kyle review without a substantive response, I will proceed on the basis that Trustpilot is acting as a primary publisher in New South Wales, and I will include this blank ticket response in the material being prepared for the eSafety Commissioner, the ACCC and any defamation proceedings in the Supreme Court of New South Wales.

Regards,

Anthony Brodie
