Hi,

I have just received this email from "Trustpilot Content Integrity" which contains no content other than your standard footer.

Please confirm whether this was sent in error, or whether you seriously intend this to stand as a substantive response to my email starting with "Hi Ayana, I switched to this thread..."

Until you provide an actual written response to the points in that email, I will treat this blank message as further evidence that Trustpilot is not engaging with the substance of my complaint and will include it in the material being prepared for regulators and any court proceedings.

Regards,
Anthony Brodie
