Hello,

Thank you for reaching out and for sharing your concerns.

We'd like to clarify that reviews on Trustpilot are assessed solely based on the **flagging reason selected** and our published review guidelines. Trustpilot does not edit review content on behalf of reviewers or businesses, and any changes made to a review can only be performed by the reviewer themselves, in line with our policies.

If you believe a review breaches our guidelines (for example, if it is not based on a genuine experience or contains misleading or harmful content), the correct next step is to **flag the review from your claimed business account** under the most relevant reason. This ensures the review is reviewed independently by the appropriate team.

To allow us to look into your concerns more closely, please provide the following details for the review in question:

- The **review ID**
- The **reviewer's username**
- The **date the review was posted**

Once we have this information, we'll be able to locate the review and assess the matter in line with our guidelines.

Thank you for your cooperation. We look forward to assisting you further.

Kind regards,

Mary
