Hello Anthony,

Thank you for your message.

We would like to clarify the status of the reviews you have raised:

- The reviews submitted by **Kamy** and **Kyle** have already been **removed**, and the outcome of those assessments has been **communicated to you previously**.
- Regarding the review by **Consumer**, we can confirm that it has been **flagged and assessed under multiple reasons**. However, based on the flagging reasons reviewed, the content was found **not to be in violation of our guidelines**, and therefore the review remains published.

We understand that this is not the outcome you had hoped for or expected, and we recognize that this can be frustrating. While you may disagree with this decision, we respect your right to proceed with an appeal.

If you wish to appeal the decision, please use the **"Appeal our decision"** or **"Challenge our decision"** link, which can be found either:

- In the footer of the first email you received regarding the specific flagging reason you wish to appeal, or
- At the bottom of this email signature.

Thank you for your understanding and cooperation.

Kind regards,
