Social Media Buying

Trustpilot Rating

The website displays Trustpilot ratings, indicating the operator's commitment to reputation management and customer feedback transparency. However, review authenticity should be verified independently, as fraudulent websites may display fabricated ratings to establish false legitimacy.

Google Tag Manager

The killfeed.co website uses Google Tag Manager to add and update tracking tags on its website.

Cloudflare Browser Insights

This website is proxied through Cloudflare's CDN/network and has Cloudflare Browser Insights enabled.

Extended Data

HTML analysis indicates that killfeed.co website provides extended data, including information about the company or its products and services. This may suggest a commitment to transparency.

Good Trustpilot Score

killfeed.co has a good Trustpilot score (4.6) based on 55 reviews, indicating a high level of trust from customers. It is a good sign of legitimacy!

High Trust Score
