Hello,

Thanks for sending in your report.

We need more information so we can look into your request. The following URLs are not specific enough for us to find the content you want removed:

<http://killfeed.com/>

Next steps

1. If the content is still online, please [submit](#) your request again. Try to include more specific URLs that show the content, for example, <http://www.example.com/content/page.html>.
2. Explore more options for content removal:
 - If you're comfortable, you can [contact the website owner](#) and ask them to remove your info from the page.
 - [Refresh outdated content](#)
 - [Check the Legal Troubleshooter](#)

Next steps

If you disagree with our decision and want us to reconsider our position, or if you have additional evidence to provide, you may submit an appeal. **Important:** Be sure to provide as much detail as possible to help our reviewers understand how the content meets the requirements for removal. For example, additional context that might help us understand the situation.
