Hello Anthony Brodie,

Thank you for contacting us regarding the review written by Ray Smith, which you reported because it contains promotional or advertising content.

Our decision

We've reviewed the review and concluded that it meets our [guidelines](#) for the reason you reported it. Therefore, we've reinstated the review and will not take any further action.

Please note that the reviewer has the right to mention another company in their review, as long as they do not solicit people to purchase products or services from that company. Promotional references, including marketing materials, links, or discount codes, are not permitted.

Tell us your side of the story

As always, you can [reply to this review](#) to earn respect and credibility. Replies will appear alongside the review, so people can understand the reviewer's perspective and the company being reviewed.

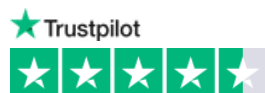

Please note that our team assesses each report strictly based on the specific reason selected at the time of flagging. In this instance, the review was reported for "**Advertising or promotional**" content; however, upon assessment, we found that it does not meet the criteria for removal under that category and will therefore remain online.

If you believe the review violates other guidelines for a different reason we kindly ask that you flag it again for that specific reason. This will allow our team to conduct a separate investigation focused on the new criteria you have identified

If you think we've made a mistake, you can let us know by clicking [Contest our decision](#) .

Please note that any responses to emails related to this case will not be reviewed. If you have any questions, you can ask them through our [contact form](#) .

Thank you,

We are rated **4.4** out of 5
